

**Date:** Thursday, March 31, 2022

**Session:** Concurrent Session #9

**Title:** The Do's and Don'ts of Developing a Geriatric Protocol in a Level 1 Adult Trauma Center

**Time:** 2:00pm - 3:00pm

**Moderator:** Cyndi Blank-Reid

**Speaker:** Francesca Sullivan, RN, BSN

**Bio:**

Francesca Sullivan has been a registered nurse for the past 25 years. She has spent most of her career working in a level 1 Adult trauma Center in Queens NY. For the last six years she has spent her career in the trauma program, initially as the performance improvement coordinator and currently as the trauma program director. In these two positions, Francesca has initiated and maintained performance improvement projects in order to enhance patient care in the realm of trauma.
