

# STN Member Benefits

A professional nonprofit organization dedicated to promoting optimal and equitable trauma care through education, research, and collaboration — connecting trauma nurses worldwide.

## Education & Training

### Journal of Trauma Nursing

Full access to STN's peer-reviewed publication covering the latest trauma nursing research and clinical practice.

### E-Library of Trauma Lectures

On-demand library of expert-led lectures available anytime to support your continuing education.

### Webinars & Archived Sessions

Attend live webinars or access a growing archive of recorded sessions on trauma topics.

### Specialty Courses

Access to ATCN, ATPM, OPTIMAL, PTACC, TOPIC and other specialized trauma training programs.

### TCRN® Exam Prep

Preparatory products and resources to help you earn your Trauma Certified Registered Nurse credential.

## Recognition & Scholarships

### Annual Awards Program

Opportunity to be recognized for outstanding contributions to trauma nursing and patient care.

### Trauma TEAMS Scholarship

Scholarship opportunities available to support members pursuing advanced trauma education.

### Leadership Institute

Dedicated course for members ready to step into leadership roles within the trauma community.

## Networking & Community

### UNITED Conference — Coming 2027 & 2028

STN is joining forces with the American Trauma Society and Trauma Center Association of America for UNITED, an exciting new joint conference bringing the trauma community together like never before.

### Special Interest Groups (SIGs)

Connect with peers in Burn, Pediatric Trauma, Injury Prevention, APP, Performance Improvement, and Rural Trauma.

### Online Member Community

Access STN's online platform to collaborate, share resources, and connect with trauma nurses nationwide.

### Mentor/Mentee Program

Be paired with an experienced trauma nursing mentor — or give back by mentoring the next generation.

### International Council

Engage with STN's global network and advance trauma nursing on an international scale.

## Research & Advocacy

### Research Grant Opportunities

Apply for STN research grants to support trauma nursing science and evidence-based practice.

### Position Papers & Resources

Access official STN position papers and clinical resources to support your practice and advocacy.

### Committee Participation

Volunteer for one of STN's active committees — clinical, DEI, pediatric, geriatric, research, and more.

### Career Center

Exclusive access to STN's job board connecting trauma nursing professionals with top opportunities.

## Get Started in 4 Steps

- 1 [Log In to Your Member Portal](#)  
*Access exclusive resources, manage your profile, and connect with the community.*
- 2 [Join a Special Interest Group](#)  
*Find your niche — Burn, Pediatric, APP, Injury Prevention, or Performance Improvement.*
- 3 [Register for a Webinar](#)  
*Browse upcoming live sessions or explore the archived webinar library.*
- 4 [Learn About UNITED](#)  
*STN is partnering with ATS and TCAA for UNITED, a landmark joint conference in 2027 & 2028.*
